# CELEBRATION OF

I am but a flower with all the beauty of spring,
But the sun shines and I am withered.

I am a shell lying on the shore of an endless ocean,
And the tides come in washing me away.

I am the morning sun at the break of dawn,
Fading away into the endless midnight.

Who am I? I am what I am
And sometimes what I appear to be.
I am happy and sad,
Angry and glad.
In troublesome times I am courageous,
Yet a coward to face the world.

I am bragging,
Proud of myself,
With evil thoughts,
And a guilty conscience.
Hidden within my soul I am ashamed.

I am looking for the good in others,
Lesser the bad.
I try to seek their friendship,
Respect them,
Help them,
Love them,
Who ever they are,
Where ever they may be.

I am a mixed-up person
Living in a careless world,
Of pollution, poverty, politics, drugs,
Friends, weddings, and picnics . . .
Wondering which way to go.

I am crying out for the world,
Tears of sadness for poverty, pollution, and war.
Yet tears of gladness,
For soon this world will be no more,
And happiness will prevail.

Who am I?
I am one amongst many on a crowded planet.
Yet, just like my friends
I am living the CELEBRATION OF LIFE.

The days are numbered
'til I won't come here anymore;
here, where so much has grown
and found its only home.
So these final days
I come to rest and think
of friends and feelings;
and nestled in leaves so warm,
I watch life and how it's been
and inside I seek life and how it will be,
because the only place I have to go
is a place they call
Tomorrow.

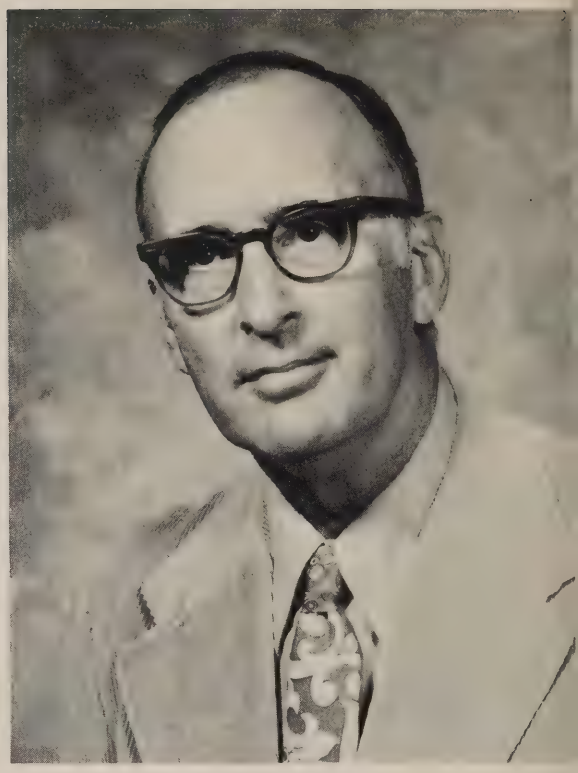
# MR. DAVID

Mr. Hugh David, who started this academic year as Acting Principal, was elected Head Principal by the School Board this past February. As everyone knows, a better man could not have been chosen. We can now look forward to Mr. David's keeping the famous THS tradition alive and going.



Mr. Hugh David

I think I better check this over.

# ENGLISH

The English Department is concerned with helping the students achieve abilities of thinking and expressing themselves in an effective and acceptable manner of either written or oral communications. Students are encouraged to expand their vocabularies, reading comprehension, grammar usage, speech activities, spelling, and punctuation.

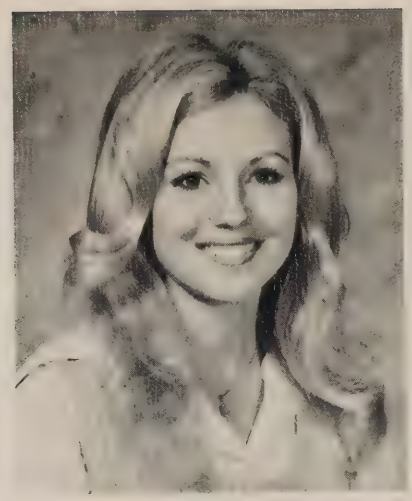
Four years of English are required for graduation from THS. In these four years of learning, many of our personalities, which will stay with us for the rest of our lives, are developed in English Class.

Miss Haywood busy at work grading papers.

Mr. Thomas Williams–B.S., M.E.D., English III,IV, Bible Club.

Mrs. Nancy Fleenor–A.B., English I,II, Bible Club.

Miss Donna Carter–B.S., English I, Anchor.

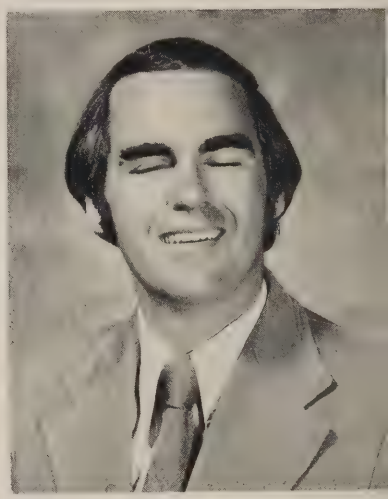


Miss Issacs–B.S., English III,IV, Keyettes, Parking Lot.

Mrs. Rebecca Vicars–B.S., English I,I Civinettes.

Miss Haywood–B.S., English I.

Miss Helen J. Faust–B.A., English I,II.



Mr. DePriest–B.S., M.A., Reading.

Mrs. Louis Hyde–B.A., English IV, Business English.

Miss Maxie Miller–B.A., M.A., English II, Maroon and White, Alpha Tri-Hi-Y.

Boy would I like to have all this money!

Mrs. Connor–B.S., Algebra I, General Math.

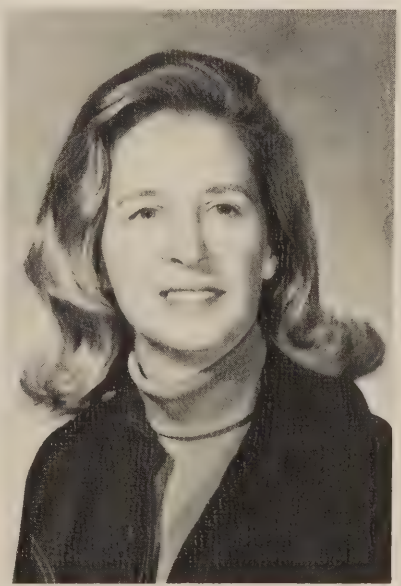
Mr. H. Wayne Wright–B.S., M.S., General Math, Advanced Math, BETA

Mrs. Jack Keith–B.A., Algebra I, General Math.

# MATH

Although not a favorite subject of some students, Mathematics is a necessity in one's high school education. One year of either General Math or Algebra I is required. Algebra II, Geometry, and Trigonometry are offered for students who may be interested in using Math in a career. These courses also stimulate students to think logically. Many of the patterns applied in these classes aid in strengthening reasoning powers. Mathematics, more than mere addition and subtraction, demands careful thought with a logical growth of ideas resulting in an appropriate solution.

Mr. Thomas A. O'Dell–B.S., Geometry, Trigonometry, Algebra II, Student Council.



Mrs. Rolen–B.S., M.A., Geometry

Mr. T. J. Countiss–B.A., M.A., General Math

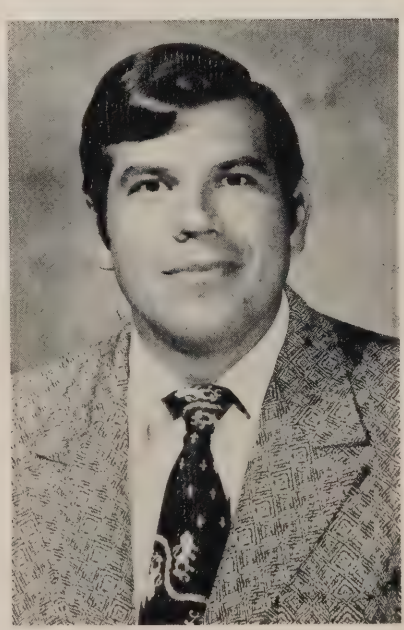
Mr. Burk reveiws for nine weeks test.

Mrs. Dickerson–B.A., M.A., Biology I, Gen. Science

# SCIENCE

In order to graduate from THS, all students must have at least one year of General Science. To further one's knowledge of Science, other courses including Biology I, Biology II, Chemistry, and Physics are available. Biology I and II, offering a study of all living matter, enable students to become more familiar with plant and animal life cycles. Chemistry, requiring at least Algebra II, gives quantitative and qualitative analyses of the Chemical elements and reactions. Physics, requiring Trig. at the same time, gives physical concepts along with the laws which govern motion and matter.

Mr. Richard Burk–B.S., Biology II, Physics, Cadmea



Mr. Wallace McClellan–A.B., M.S.T., General Science

Mr. Barker–B.S., M.A., General Science

Mr. Frank H. Maples–B.S., M.A., Chemistry, Beta Chi Phi

Mrs. Bobbie Mclaney–B.A., M.A., Biology I.

Mrs. Price–B.A., B.S., General Science, American History.

I told you once how to do that!

Let's try it this way.

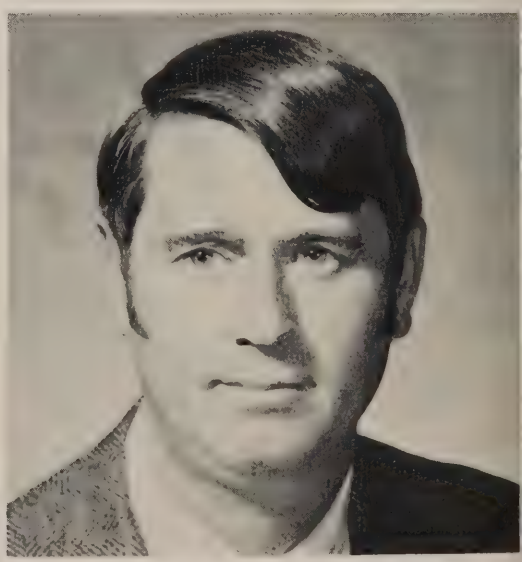
# SOCIAL STUDIES

The Social Studies Department at THS helps the students to a better understanding of their world. American History, World History, Civics, Modern History, Psychology, Sociology, World Geography, and Black Studies provide students with a general knowledge of different countries, their histories, and their locations, as well as facts such as climate and politics. These courses enable students to take part in the happenings around them and aid in the understanding of man.

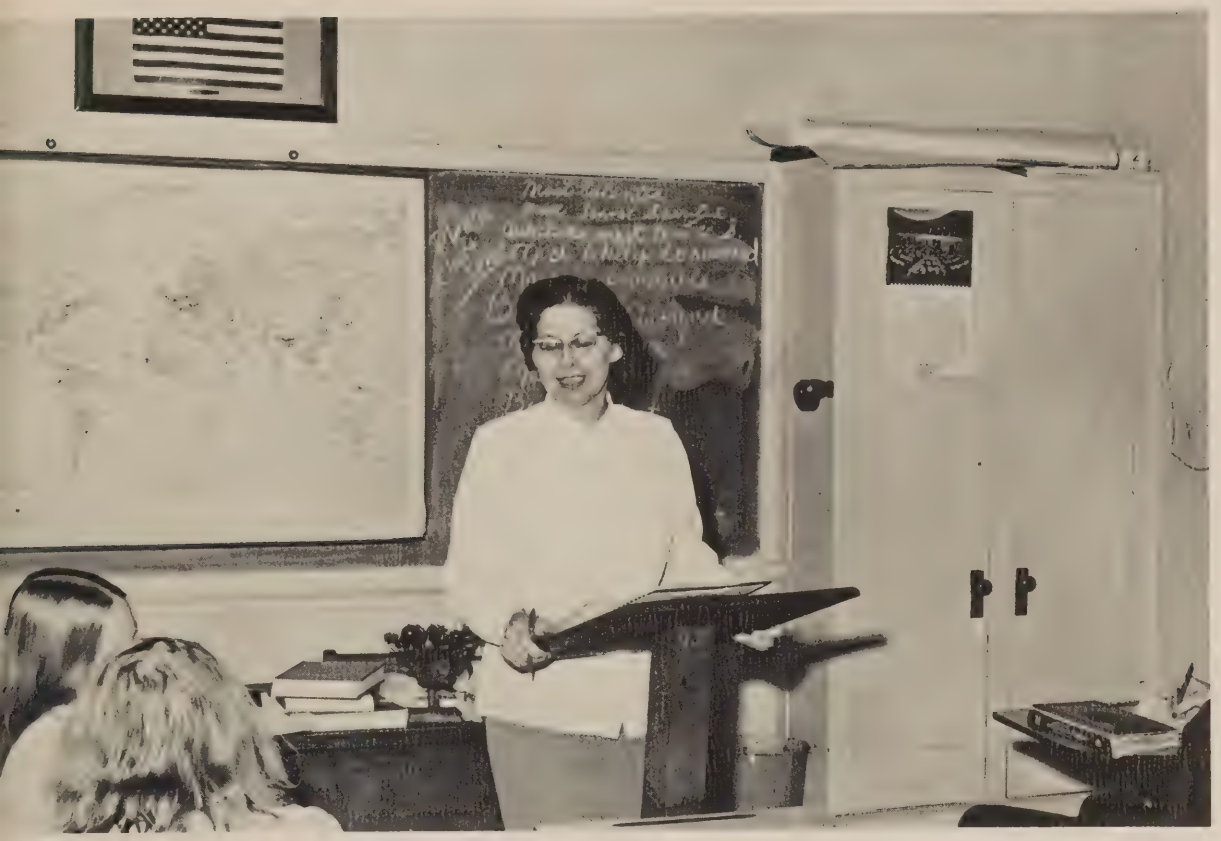
Mrs. Jane Fisher–B.A., M.A., American History, Modern History.

Mrs. Lorraine Guinn–A.B., M.A., Black Studies, American History, Y-Teens.

Mr. Allgood explains Psychology question.



Mr. Owen D. Allgood–B.S., Sociology, Psychology, Business Law.



Mrs. Guinn lectures class on the Civil War.

Miss Marshall checks class notes.

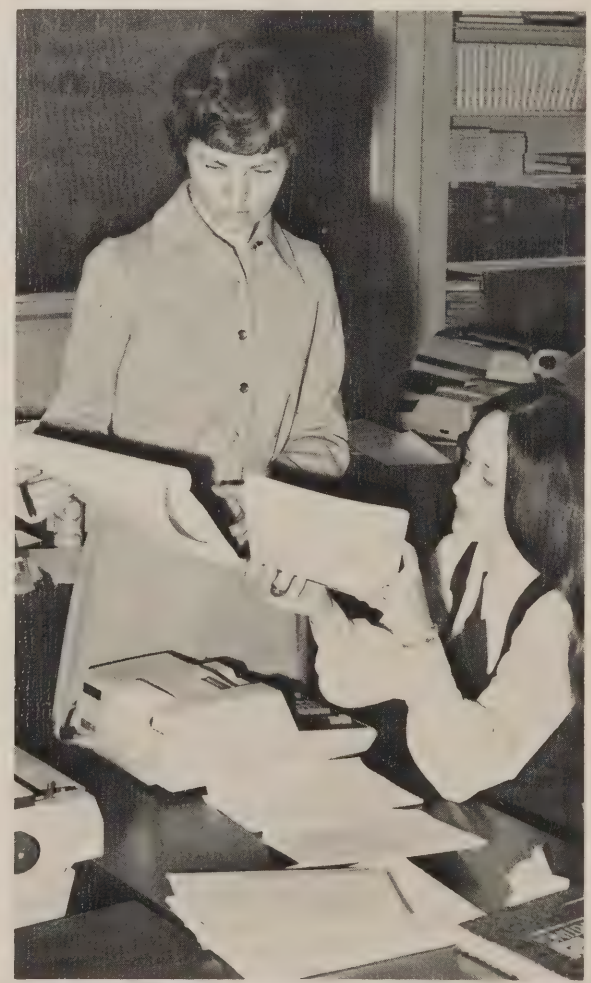
Miss Martha Marshall–B.S., M.A., American History, History of South, American Field Services, Kappa Sigma, Tri-Hi-Y.

# BUSINESS

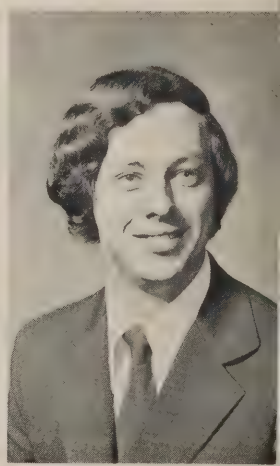
The Business Department at THS prepares students for practical skills which can later be used in actual job experience in the business world. In Typing I, basic techniques such as typing letters, bulletins, and outlines are learned. Second year typing provides for the more interested students to work in situations dealing with specific job problems. Shorthand students interpret abbreviated forms of words and learn to take dictation. DE students are able to work part of the day while still attending school at regular hours. VOE is a perfect opportunity for students who want to get ahead in the business practices. These students learn to operate adding machines, transcribers, among other office equipment. Business Math, Business Law, General Business, and Bookkeeping are also excellent courses offered in the Business Department. All these courses are designed to help students learn a skill in which they will benefit in securing a job.

Mr. Jenkins–B.S., Gen. Bus., Typing I

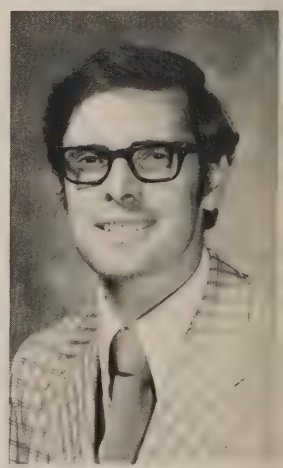
Mrs. Jean Thomason–B.S., Typing I & II, Shorthand, VOE



Mrs. Thomason explains a business problem on the electronic calculator to Debbie Moore.



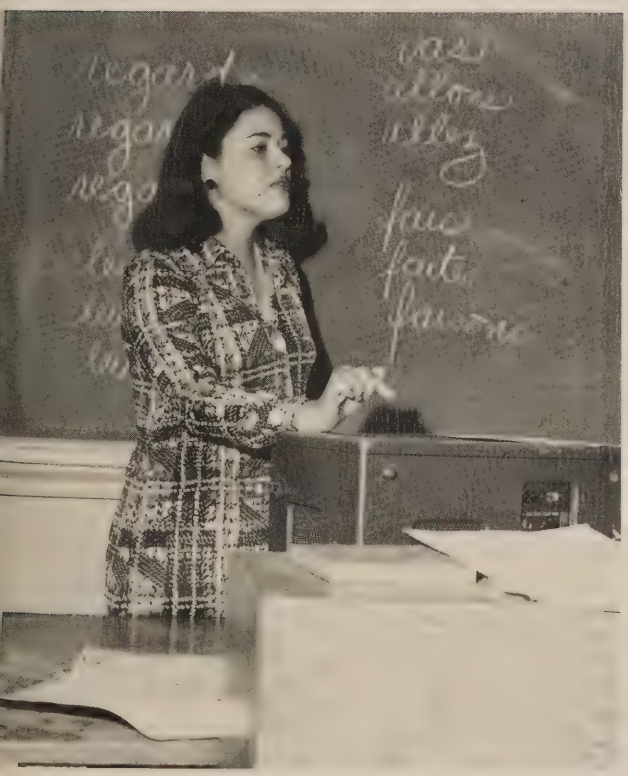
Mr. Marvin Evans–B.S., Bookkeeping I, Typing I



Mr. Doug Arwood–B.S., DE, DECA

Mr. James L. Cannon–B.S., Spanish I,II,III.

Mrs. Georgia Hagan–B.S., M.A., Latin I,II,III,IV, Mythology, JCL.



Mrs. Creasy–B.S., M.A., French I,II.

# FOREIGN LANGUAGE

Spanish, French, Latin, and Mythology are taught to help students further their understandings of other nations and people. Grammar as well as cultural background of the countries is taught. Language courses provide all with insight to a broader understanding of other nationalities other than our own. Perhaps the greatest value of the language program is that it makes students aware of life. It makes them realize that despite differences in language and customs, people are basically the same throughout the world.

# ART

Creativity is the main goal expressed in the Art Department at THS. Individuals are encouraged to use their imaginations, shuck off their inhibitions, and create. Art students learn to appreciate the beauty of even the simplest and most common shapes. Students experiment with painting, drawing, sculpturing, and modeling clay, which produce some interesting and original pieces. The newly created Arts and Crafts class works with rug making, creative stitchery, animal stuffing, ceramics, candle making, macrame, wood carving, and various other projects.

Mrs. Ann McAllister–B.S., Art I,II, Arts and Crafts

Mrs. McAllister assists Preston with creative stitchery.

Mr. James Hite–B.S., Art I,II; Arts and Crafts

Mr. Hite makes suggestions to art students.

Mr. George Wenger–B.S., Band, Music I,II

Mr. Mark Bays–B.S., Choral Dept., Junior Civitan

# MUSIC

Band, Chorus, Glee Club, Concert Choir, Viking Singers, Dance Band, and music theory classes combined include around 365 students. Each class involves a different type of music and, in turn, a different program of study. The Band, first in the state, entertains at every football game. While providing good listening music, the band arouses a good sense of school spirit. Through the years, the Band's excellent concerts have brought pleasure and pride to the school. The Choral Groups are also an asset to the student body. The choral students have an opportunity to improve their vocal techniques, and are exposed to almost every kind of music from classical to modern. For the students interested in the technical side of music, a musical theory class is offered. Students themselves experiment with melody, and write original themes. All music classes encourage students to work for individual excellence and instill a sincere appreciation for all music.

THS Dance Band entertains for student body.

Miss Betty Ball–B.S., Home Economics

# HOME ECONOMICS

The Home Economics Department prepares students for their individual roles in the field of homemaking. Emphasis is given to the students desiring advanced study in the field and to those desiring practical knowledge and skill for personal development.

There is never a dull moment in Home Ec.

Mrs. Foster–Secretary

# GUIDANCE

The four guidance counselors at THS help students with their everyday problems and future decisions. This includes helping the students decide on courses, colleges, scholarships, and financial aid. The main goal of the Guidance Department is to help students make judgements that are more relevant to the desires and needs of the individual.

Mrs. Sally Wherry–B.S., M.A.

Mr. James Marshall–B.S., M.A.

Miss Dorothy Knisley–A.B., M.Ed.

Mrs. Bailey discusses college with Mary Jones.

Mrs. Barbara Bailey–B.S.

Miss Nancy Cuthill–A.B., Library Council

Mrs. Robbie Parker–B.A., Study Hall, N.H.S.

Mrs. Betty Jo Norton–B.S., Home Ec

# LIBRARY

The library provides appropriate material to supplement the courses offered at THS. With the help of the librarians, students find materials needed for various classes. In the library, students are taught book-finding techniques as well as term-paper writing.

Many different faces are seen every day in the library.

# ATHLETICS

The main objective of the Physical Education Department is to build and improve muscular development and physical coordination. In P.E. our guys and girls are taught to be humble in victory and proud in defeat. Some of the activities in which the students participate are football, basketball, wrestling, tennis, softball, tumbling, archery, and volleyball. Whatever the activity, students are always taught to do their best.

Coach Bingham is always at work doing something.

Mr. Booher–B.S., Boys' P.E., Football, Tennis, Interact

Mr. Jimmy Arnold–B.S., M. Drawing, Ind. Arts

# INDUSTRIAL ARTS

Welcome to the new Industrial Arts Building! Under the direction and supervision of Mr. Arnold, the Industrial Arts students are completing the inside of this modern new building. Woodworking, welding, the layouts of room interiors, these are a few examples of the many interesting subjects that are offered in Industrial Arts. This is one of the few departments at THS that offers more than classroom instruction. Students must learn to work together toward a final goal. Cooperation like this is learned, not taught.

Mr. Arnold shows students how it is done.

There is no doubt that our T.H.S. "Maroon Machine" is one of the greatest in the nation. It is true that th Vikings sadly ended their winning streak when they fel September 28 to the Science Hill Hilltoppers (21-15). Bu they still rolled up 28 straight wins which won them tw AAA State Championships and the superior rating o "Number One in the Nation" for high school football During this 28 game winning streak the Maroon Machin scored 989 points, allowing only 206 points for the oppo nents. The Vikings showed 100% effort under new hea coach Bill Bingham as they ended the season with a Big Conference Championship. Congratulations on anothe great season.

The Tennessee High Swim Team, although young in age, has established itself as a swimming power in the state of Tennessee. To achieve the success which this team has attained required much hard work and a great deal of self-sacrifice on the part of the team's members and of its coach, John Connor. Tennessee High School, as well as the city of Bristol, is proud of the swim team and its accomplishments. The Cadmus Club hopes that the "tankers" will maintain the spirit of excellence which has brought them to the pinnacle of power on which they now stand.

FORGET WHAT YOU HAVE DONE FOR YOUR FRIENDS, AND REMEMBER WHAT THEY HAVE DONE FOR YOU.

The bell just rang—I think we are late!

And then he said . . . . . .

What would lunch be without a little friendly gossip?

Stand still just one more second.

Once upon a time . . . . . .

I sure hope these dimensions are correct.

Let's go over this play just one more time.

DISREGARD WHAT THE WORLD OWES YOU, AND CONCENTRATE ON WHAT YOU OWE THE WORLD.

AND DON'T BE AFRAID TO ENJOY WHAT IS BEAUTIFUL.

Steve Cross hurries to class.

Timmy Chapman concentrates on his work.

Who cares if we are late for class?

Listen to that beat man!

Look what they have done now!

Parents, parents, parents always late!

LOVE WITH ALL YOUR HEART AND SOUL. BELIEVE THAT THOSE YOU LOVE, LOVE YOU.

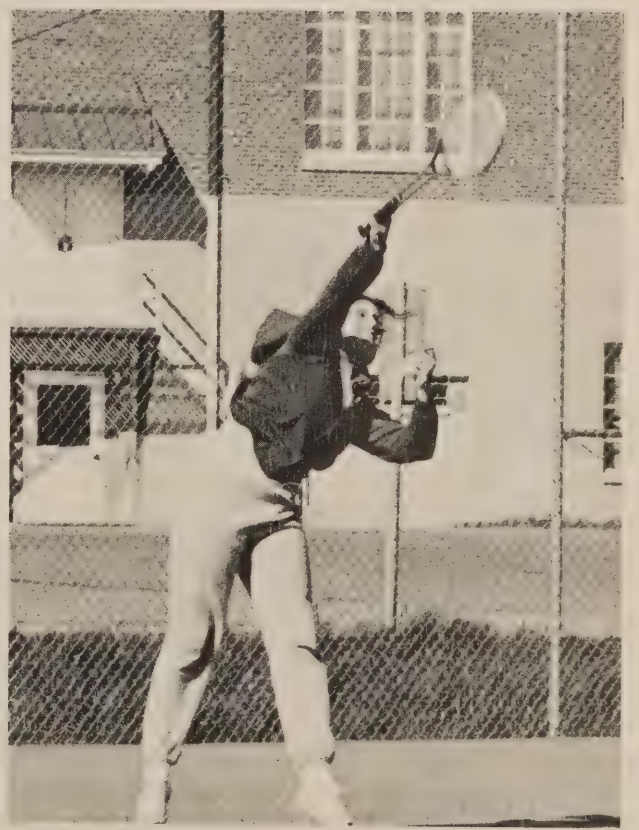
THEN YOU CAN LOOK FORWARD WITH CONFIDENCE AND BACK WITHOUT REGRETS.

Why is everyone looking at me?

Mr. Burk's class tries to keep up.

I think I understand Mr. Burk!

Jan Thomas practices running broad jump.



Angela Harr serves a quick one.

We're just trying to be,
Not what we seem to be.
And even now . . .
As we try to be the same . . .
We become faceless in the crowd.
Realize you are.

# ACKNOWLEDGEMENTS

We all know that one day the classrooms will be empty, the halls silent, and friends lost. I hope that the 1974 Cadmea will serve as a reminder of this stage of our lives.

I wish to express my sincere appreciation to the person, who without his guidance, this annual would never have been possible. Mr. Burk has served as our patient sponsor, photographer, and has developed and printed our pictures.

I would also, like to express my appreciation to the faculty, the business men and professional leaders of our community, and the Cadmea Staff.

Debbie Richardson
